“A Good Movie Makes The Audience Feel Like They’ve Journeyed With The Characters”

- Rich Moore

The College Movie Club is a student-run organization at St Gregorious dental college, dedicated to fostering a love for cinema among its members. The club aims to provide an inclusive space for students to explore, discuss, and appreciate films from various genres and cultures.

The primary mission of the College Movie Club is to enhance the cinematic experience for its members and foster a community of film enthusiasts.

The club aims to:

- Provide a platform for watching and discussing films.
- Educate members about different aspects of filmmaking.
- Encourage critical thinking and appreciation of cinema.
- Promote cultural diversity through a varied film selection.

The College Movie Club plays a vital role in enriching the cultural and educational landscape of our institution. By providing opportunities for engagement with cinema, the club not only entertains but also educates and inspires its members, nurturing a lifelong appreciation for the art of film.
