

PHOTOGRAPHY CLUB ACTIVITY

REPORT 2023-2024

“The camera is an instrument that teaches people how to see without a camera.”

– Dorothea Lange.

The Photography club has been a vibrant platform in college for creativity and a profound understanding of the art of photography. It has been instrumental in creating a community of students with interest towards photography. The club organizes events where students are encouraged to participate in various competitions. Club is open to anyone and everyone who shares a passion for this field. The club primarily conducts competitions for its members at college level and encourage the participation of its members in competitions at University levels.
